Commissioner:

This submission is in response to the Office Action mailed on November 22, 2002 (Paper No. 6), Notice of Non-Compliant Amendment (37 CFR 1.121). Inadvertently omitted in applicants' previous response, dated November 7, 2002, was a clean version reflecting the amendments to certain paragraphs in the specification of this application.

Therefore, in response to this Notice and in compliance with 36 CFR 1.121(b)(1)(iii), attached is applicants' clean version reflecting the amendments to the following paragraphs of the specification. (The marked-up versions of these paragraphs are found on pages 2 and 3 of applicants' Response To Office Action And Amendment, dated November 7, 2002.)
